Equipped with an advanced IPS panel, the 242S1AE ensures vibrant colors and consistent brightness from virtually any angle. The 178° ultra-wide viewing angles guarantee picture accuracy, which is crucial for collaborative work. Coupled with a smooth 75 Hz refresh rate and a rapid 4 ms response time, this monitor offers fluid on-screen movement suitable for both professional applications and casual use.

- **Display Type:** IPS panel for wide viewing angles (178°/178°) and excellent color consistency.
- **Resolution:** Full HD (FHD) 1920 x 1080 pixels for sharp images.
- **Refresh Rate:** 75 Hz maximum refresh rate.
- **Screen Finish:** Anti-Glare 3H surface with 25% haze to reduce reflections.
- **Brightness:** 250 cd/m² typical brightness.

Advanced Ergonomics for All-Day Comfort

Designed with user well-being in mind, this Philips S Line display includes multiple comfort features certified by TUV to reduce eye fatigue. The Flicker-Free technology and LowBlue mode minimize strain during long working sessions. Furthermore, the SmartErgoBase allows for extensive physical adjustments, ensuring the perfect viewing angle for every user.

- **ErgoBase Adjustments:** Features Height adjustment (130 mm), Swivelling, and Pivot (90° rotation) capability.
- **Eye Comfort:** TUV certified features including Flicker-Free and EasyRead mode for paper-like reading experience.
- **Mounting:** VESA mounting compatible (100 x 100) for optional wall or stand attachment.

Comprehensive Connectivity

The 242S1AE provides versatile digital and analog connection options, including HDMI, DisplayPort, VGA, and DVI-I, ensuring compatibility with modern and legacy hardware. Integrated stereo speakers offer convenient audio without the need for external peripherals.

Philips is a globally recognized brand committed to providing innovative, reliable, and user-friendly display solutions for professional and home environments.
