- ✓ Easily take out and use the earbuds on the go, now with a convenient strap holder.
- ✓ Low-Latency mode and 26-hour playtime for stress-free listening

Aprašymas

Experience superior sound with Gumy Premium Wireless Headphones, featuring advanced noise cancelling technology.

Discover the premium listening experience of Gumy with Noise Cancelling features.

For the first time in the JVC Gumy series, active noise cancellation is introduced. Dive into your own world with noise cancellation. By switching to ambient sound mode, you can enjoy music while staying aware of your surroundings.

Enjoy a superior fit that stays in place snugly all day long.

The unique stem is ergonomically designed to follow the natural curve of your ears, offering upgraded comfort. Paired with four different sizes of earpieces, the A23T ensures a snug, secure fit that prevents it from slipping or falling out.

The translucent case and four stylish colour options add a charm to your effortless style.

Inspired by the modern trends, the translucent case lid lets you showcase the earbuds in style. Choose from four unique colours: Olive Black, Coconut White, Mocha Brown, and Grape Yoghurt, each offering a vibe to match your fashion.

Easily take out and use the earbuds on the go, now with a convenient strap holder.

For on-the-go lifestyles, the charging case is designed to let you quickly take out the earbuds — smooth, simple, and intuitive. The strap holder attached to the case makes it convenient to carry them anywhere.

Low-latency mode and 26-hour playtime for stress-free listening.

Experience lag-free audio with low-latency mode — ideal for gaming and watching videos. Combined with up to 26 hours of battery life, enjoy smooth and uninterrupted listening.
