Aprašymas

The handy document shredder HP OneShred 8CC respectively OneShred 8CC Black in modern design is a quintessential feature of any household and fits next to every desk. Thanks to the high security level P-4, the DSGVO-compliant shredding of sensitive data such as salary slips and tax returns is guaranteed. Up to eight DIN A4 sheets can be shredded at the same time in particle cut via the intuitive operation. Even paper clips, staples and credit cards are no problem for this reliable shredder. The shredder has an automatic reverse function in the event of a paper jam, as well as an overheating and overload indicator. Thanks to the viewing window, you are always alerted when the box needs to be emptied, even without a technical fill level indicator for the waste bin.

Techninė specifikacija
