4K video recording

The Dual Front Camera (Ultra Wide + Wide) boasts an impressive field of view that provides optimal 4K video recording. For video calls or your dance lesson shoot, Auto Framing provides the spotlight that the speaker deserves. It will zoom in to focus on you as you are talking and zoom out for new members.

Dial up video calling

S Pen snaps right into charging

No matter which Tablet size you choose, the new S Pen comes included. Write, sketch or draw all your wildest ideas into reality with S Pens ultra-low latency.

Share your creative ideas across the Galaxy in a flash

With Quick Share, you can move your masterpieces in just one tap. Transfer huge photos and video files to your phone or PC with ease.

Amazing alone. Unstoppable together

Enjoy a continuous experience across your Galaxy devices. One UI 4.1 allows you to access the same apps between your Galaxy devices. Jamming to music is easy with Auto Switch - your Galaxy Buds will automatically pair from your Galaxy Tab S8 Series to your Galaxy smartphones.
