Pagrindinės savybės

- ✓ **Powerful charging:** Experience fast and efficient charging of your mobile devices. 1x USB-C port with USB Power Delivery 3.0 and Quick Charge with up to 27 watts and 2x USB Type-A with up to 10 watts are available for this
- ✓ **Universal compatibility:** With the USB-C and the two USB-A ports, a wide range of mobile devices can be easily and quickly charged directly on the desk, even during the usage
- ✓ **Space-saving construction:** The hub is specially designed for installation into a desk. It is particularly flat and compact and can therefore be integrated inconspicuously into the desk surface. This saves valuable space on your desk
- ✓ **Installation without tools:** Installation is straightforward and can be done without tools. Simply insert the stroke into a standardised 60 mm hole. For 80 mm, you should also use the IB-HUBA001 adapter ring
- ✓ **Cover included:** The included cover of the charging hub effectively protects the connections from dust and dirt. Simply cover the hub when not in use and use the entire surface of the table

Aprašymas

Everything in one place

Enjoy the freedom of charging your mobile devices - such as smartphones or tablets - directly on your desk instead of at the socket. Simply connect the charging cable to one of the powerful USB charging ports and your device will reach power with up to 27 watts.

Full power for 3 devices

Equipped with one USB Type-C® PD and two USB Type A (BC) ports, experience high charging speed for up to three devices simultaneously. You enjoy up to 27 watts of fast charging power on the USB Type-C® port and up to 10 watts on the Type A ports.

Simple installation

The desk hub is designed for cable bushings and holes with a diameter of 60 mm. No additional tools are needed for installation. For larger cable ducts with up to 80 mm in diameter the IB-HUB1407 is compatible with the IB-HUBA001 adapter ring.
