- ✓ Easy screen mounting system; equipped with VESA 75x75 and 100x100
- ✓ Screen adjustments: tilt, rotate and swivel
- ✓ Cable management system; Monitor anti-theft screws included
- ✓ Space-saving by its top side installation clamp; clamp mount and grommet mount included
- ✓ Ergonomic premium monitor mount with gas spring for two screens of 35" up to 20kg each

Gas Spring Monitor Positioning
Reposition your monitor very easily

Optimized Head Tilting Spring
ensures smoother tilting adjustment

Aprašymas

The Office Premium monitor arm creates an ergonomic and space-saving workspace. The AC8342 monitor arm is made of full metal and holds two 35" monitors up to 20kg each. Set the best height and viewing distance with the gas spring and 3 pivot points. The top-mount clamp provides a space-saving and stylish, clean look. Both a clamp and grommet mount are included. The mount has a 180° rotation lock mode to prevent the monitor arm from swinging into the backwall or other screens.

Dual gas spring monitor arm made of solid metal

The AC8342 is a solid metal monitor arm suitable for two monitors up to 35" and 20kg each, with VESA 75x75 and 100x100. The maximum height of the monitor arm is 47 centimeters. Measured from the desktop to the center of the VESA plate.

Ideal for flexible and ergonomic workspaces

If you work in an office with flexible workspaces, it is ideal to use the AC8342 Desk Mount with gas spring. Easily adjust height and depth without tools by using the gas spring. Tilt, swivel and rotate your screens to create the ideal ergonomic workspace and reduce the risk of neck, back and shoulder strain. The cable management system keeps cables out of sight. The tension of the gas spring can be adjusted.

Rotation lock

The AC8342 monitor arm rotates 360°. When space is limited by a wall or another desk, use the 180° rotation lock to prevent the mounted screens from hitting the wall or other screens.

Top side mounting bracket for easy installation and a stylish clean look

Easily mount the AC8342 to a desk with the top mounting bracket. The clamp is secured from the top side instead of the bottom side. This ensures easy installation and saves space when mounted on a table for a clean and stylish look. The VESA plates are fully detachable, making it easy to attach the monitors to the mount. Anti-theft screws are included.

All mounting gear for both clamp and grommet mounting is included for attaching to and through a desk. Max. desk thickness 45mm.
