Pagrindinės savybės

- ✓ **A HEALTHY WORKSPACE ANYWHERE:** The R-Go Viva laptop bag has an integrated, height-adjustable laptop stand. This lets you create a healthy workspace wherever you are.
- ✓ **ALWAYS A STRAIGHT WORKING POSITION:** Our ergonomic laptop bag comes with a laptop stand that can easily be brought to eye level. When the top of the monitor is at eye level, you are automatically in a healthy, upright position. This helps you prevent neck and shoulder complaints.
- ✓ **Extra compartments:** The bag also has extra compartments, so you can bring along a separate keyboard and mouse.
- ✓ **ENVIRONMENTALLY FRIENDLY MATERIALS:** You can help protect the environment by using natural resources. For our laptop bag, we chose leather with the highest certification from the international organisation LWG, the "Leather Working Group". LWG encourages leather manufacturers to produce in a sustainable and environmentally friendly way.
- ✓ **ENVIRONMENTALLY FRIENDLY PRODUCTION:** Our laptop bag is produced in collaboration with the Agua Viva Foundation in Brazil. This foundation offers a new chance to people who have run into difficulties (for example through alcohol or drugs). Learning a trade is an important part of their livelihood. In addition to creating jobs, we donate around 20% of the production cost per bag to the Agua Viva Foundation.

Aprašymas

The R-Go Viva laptop bag is an ergonomic leather bag with integrated laptop stand. The height-adjustable laptop stand easily raises your laptop screen to eye level. This makes it possible to work in a healthy, upright posture at any location. The bag features additional compartments for a separate keyboard and mouse. The R-Go Viva laptop bag is produced in collaboration with the Agua Viva foundation in Brazil. This foundation offers new opportunities to people who have run into problems (e.g. due to alcohol or drug abuse or psychological problems). We donate about 20% of the production costs per bag to the Agua Viva Foundation. For the production of our laptop bag, we chose leather with the highest certification from the international organisation LWG 'Leather Working Group'. The LWG encourages leather manufacturers to produce in a sustainable and environmentally friendly way.
