Aprašymas

Get back to 100% before you arrive

The USB Type-C port lets you harness the power of up to 45W to recharge your device with the incredible speed of Super Fast Charging 2.0. And the USB Type-A port maxes out at 15W for a quick boost, too, for a total of up to 60W coming from this powerful charger.

Two chargers in one

Charge two devices at once with the dual port on this space-saving car charger. Both you and a friend can experience fast charging while on the road, or you can power up your wearables while keeping your phone at 100%.

Share your power with just about anyone

No worries about compatibility. This charger supports PD, QC, and AFC charging protocols, so you can charge your phone, a friend's phone, tablets, laptops, wearables, game consoles, and so much more.
