Pagrindinės savybės

- ✓ Material: Acrylic
- ✓ Product colour: Blue
- ✓ Quantity per pack: 1 pc(s)
- ✓ 75 g

Aprašymas

Use this fan adapter to install a 120mm fan onto a heat sink which normally can only house a 70, 80 or 90mm fan. Using a fan with larger diameter has a positive effect upon noise level, as these fans require far lower rotational speeds for the same air flow volume. Fan adapter made from transparent acryl and offers excellent price-performance ratio, including several screws and washers.
