## Pagrindinės savybės

- ✓ Comfortable, over-ear headphones with charging station: with the stereo TV headphones, enjoy watching TV and listening to music with the best 2.4 GHz sound without any time lag or interference - perfect for anyone who likes the sound up without disturbing everyone around them
- ✓ The charging station sends the TV audio signal to the TV headphones via a wireless 2.4 GHz radio connection
- ✓ Bluetooth for telephony and music: pair mobile phone and TV headphones and make calls or listen to the playlist in top quality
- ✓ Automatic switch-off of the headphones if no signal is received after 3 minutes
- ✓ Battery life: up to 16 hours of first-class listening pleasure
- ✓ TV headphones can also be used wired (cable not included)
- ✓ The charging station also has an optical input (the fibre optic cable for this is not included in the scope of delivery)

## Aprašymas

### Latency-free 2.4 GHz connection

Sound and image in harmony: with the 2.4 GHz radio connection, you can enjoy TV programmes, your favourite films and serials interference-free and without a time lag

### Charging station

Charge, transfer, store: the charging station transfers the audio signal and acts as a holder for the TV headphones when not in use

### Plug-and-play headphones

Instantly in 2.4 GHz radio: once the charging station is plugged into the TV, the headphones connect automatically every time

**Direction pad for volume and sound modes**

Perfect sound at the press of a button: Steplessly adjust the volume to your preferences using the direction pad and choose the best entertainment performance for films, music and watching TV from the three modes - Voice, Full and Normal

**Closed acoustic design**

The closed circumaural headphones block out disturbing noise and keep music inside

**Passive noise suppression**

The perfect fit reduces unwanted exterior noise so that you can enjoy your music without being disturbed

**Soft and pleasant-to-wear earpads**

Maximum wearing comfort: the soft earpads with pleasant surface structure adapt to the head and ears, remaining comfortable even with prolonged use and ensuring loss-free sound

**Padded headband**

Padded headband for a comfortable listening experience also over long periods of use

**Adjustable headband**

The headphones are equipped with an individually adjustable headband which adapts to the shape of your head
