Aprašymas

From dirty glass to condensation, tackle even more applications with the GlassVAC

Enjoy the impressive Bosch windscreen wiper for the home. This cordless window vacuum utilises existing Bosch expertise from the automotive sector. The patented "power protection plus" rubber coating ensures streak-free results and quicker cleaning time, without any annoying, squeaking sounds. Its compact design makes handling easier, to tackle even those confined spaces. It is designed for cleaning both home and car windows, mirrors, tiles, condensation, showers, and spillages. The GlassVAC has a battery runtime of 30 minutes – plenty of time for cleaning up to 35 windows or a 105 m² area.

Streak-free results

A smooth glide for fast results – the patented Bosch Automotive rubber coating uses Bosch's existing expertise in the automotive sector to reduce friction when cleaning, eliminating streaks and obnoxious squeaking.

Compact design for easier handling

The compact design, with a height of just 22 cm, allows the window vacuum to clean confined spaces; it also conveniently fits in small storage areas after use.
