79.99€

Ottocast CA360 3-in-1 Carplay/Android adapter (black)

The Ottocast adapter enables wireless connectivity to CarPlay, Android Auto and AirPlay systems in the car. Designed with simplicity of use and maximum comfort in mind, this is the answer to the needs of modern drivers who value convenience as well as safety. NOTE: some car models may require a supporting cable to work with the adapter.

Ease of installation and operation

Installation of the adapter is smooth and hassle-free - just plug it into the car's USB port, and then pair it with your phone via Bluetooth. The device supports Plug and Play - so it's ready to use as soon as you plug it in. Forget about having to install additional software or perform complicated

configurations!

Wireless convenience

With the Ottocast adapter, you can enjoy the functionality of CarPlay and Android Auto without the need for cables. The wireless connection gives you the freedom to enjoy navigation, music, phone calls and many other smartphone functions without taking your eyes off the road.

Screen Mirroring

Screen Mirroring allows you to display your phone's screen directly on the car display. This is ideal for sharing multimedia with passengers or using apps not supported by the vehicle's standard systems.

Fast switching between phones

The Ottocast product allows you to quickly switch between different phones, making it ideal for families or groups of friends who want to use the car's multimedia systems with their own devices. Simply press the appropriate button.

Included:

- Ottocast CA360 3-in-1 adapter
- USB-A/USB-C cable
- USB-C/USB-C cable
- User manual
