The RayNeo Joydock allows you to play and charge your devices at the same time, eliminating the problem of interrupted sessions due to a dead battery. Equipped with three USB-C ports, it supports charging devices such as the Nintendo Switch, RayNeo Air 2 AR glasses and many other compatible devices. With this, you are always assured that your devices are ready to go.

Compact design and mobility

The RayNeo Joydock docking station is designed for maximum convenience. Its compact design makes it easy to fit in a bag or backpack, so you can take it with you anywhere. It's ideal for those who value mobility and don't want to sacrifice convenience when traveling.

Unlimited entertainment possibilities

Joydock works with a wide range of devices, from Nintendo Switch consoles to RayNeo Air 2 to DisplayPort-enabled smartphones. This way you can use the giant screen anywhere, enjoying an exceptional visual and audio experience. It's the perfect partner for gaming, watching movies or browsing photos.

Powerful battery at your fingertips

The RayNeo Joydock is equipped with a built-in 10,000 mAh battery for hours of uninterrupted fun. The charge-back function allows you to charge other devices, making the station not only convenient, but also a practical everyday tool.

Gaming on the big screen

With support for RayNeo Air 2 and other compatible devices, Joydock allows you to enjoy an experience comparable to watching a 201-inch screen at cinema resolution. Ideal for intense gaming sessions where details and image dynamics are crucial.

The perfect solution for gamers on the move

Joydock is the perfect solution for those who appreciate mobility and the ability to enjoy a big screen anywhere. Whether you're on the go, on vacation or just relaxing at home, Joydock will work well in
