Pagrindinės savybės

- ✓ Physical panic button with favourites function (emergency call, torch, camera, favourite app, ...)
- ✓ Comfortable size with 5.45-inch touchscreen
- ✓ Replaceable battery with 1000 charging cycles
- ✓ emporia easy mode, Android mode optional
- ✓ NFC for unlimited connectivity
- ✓ Triple-lens 13 + 0,3 + 2 MP back camera
- ✓ Selfie camera 8 MP
- ✓ 6 GB RAM / 128 GB ROM

Aprašymas

The emporia 7 series is all about safety and durability: a fully equipped Android smartphone with a comprehensive security package, ongoing security patches and the tried-and-tested Panic button. The most striking feature is that the 7 series fits comfortably in the hand thanks to its compact 5.45-inch format.

Android 15 with update guarantee

In terms of software, the 7 series comes with Android 15 and the promise that the operating system will be updated for at least the next five Android generations. In addition, security patches are carried out on an ongoing basis and the smartphone is kept at the current security level.

Thanks to NFC and a fingerprint sensor, users don't have to worry about online banking or logging into digital government services.

No panic thanks to the Panic button

The tried-and-tested Panic button is also included in the 7 series. This external, directly accessible Emergency button provides security, for example when you are out alone at night. This physical button is designed for a Favourites function and can also be assigned other functions (e.g. voice assistant/Google Gemini, torch).

Safety is also ensured by the patented Smartcover, which allows important functions to be operated when the device is closed.

Replace the battery yourself

The battery is tested for at least 1,000 charging cycles, is no longer permanently installed and can be replaced by the user. Spare parts are guaranteed to be available for at least seven years.

Convenience: easy to use, Info Centre, emporiaCOACH, charging cradle

The proven emporia interface with large control panels and clearly structured menu navigation is ideal for those who want simplicity. You can easily switch to the familiar Android mode at any time and back again.

Techninė specifikacija

Specifications	
Sandėlio grupė	> Telefone und Handys > Handys und Smartphones [+696][-50]
Display	
Display diagonal	13.8 cm (5.45")
Display resolution	720 x 1440 pixels
Screen shape	Flat
Processor	
Processor family	ARM
Processor model	Helio P35
Processor architecture	ARM Cortex-A53
Processor cores	8
Processor boost frequency	2.3 GHz
Storage	
RAM capacity	6 GB
Internal storage capacity	128 GB
Compatible memory cards	MicroSD (TransFlash), MicroSDHC, MicroSDXC
Maximum memory card size	256 GB
Camera	
Rear camera type	Triple camera

Rear camera resolution (numeric)	13 MP
Front camera type	Single camera
Front camera resolution (numeric)	8 MP
Second rear camera resolution (numeric)	0.3 MP
Third rear camera resolution (numeric)	2 MP
Network	
SIM card capability	Single SIM
Mobile network generation	4G
SIM card type	NanoSIM
3G standards	WCDMA
4G standard	LTE-FDD
5G standard	Not supported
Top Wi-Fi standard	Wi-Fi 5 (802.11ac)
