Aprašymas

Ubiquiti UB-AM – solid mount

The universal UB-AM mount provides an easy antenna installation to walls and poles. It is an extremely durable solution that enables solid mounting of the antenna in the outdoor environment.

The set contains a base that is mounted directly to a wall or pole and a bent pole installed in the base with only one pivot bolt and two adjusting bolts which keeps the system in the selected position. The mount belongs to the Ubiquiti accessory series that increases ease of use and reliability.
