Aprašymas

Crafted from durable aluminum, this junction box is designed to enhance and protect your surveillance system installations. Compatible with a wide range of models including XB-2MD, XB-4MW, XB-5M, XB-2M, XB-3MD, LB-7TURBO, LE-7TURBOW, B8-TURBOX, B8-TURBOXW, E8-TURBO, HRB900, and HRB900W, it offers a versatile solution for various setup requirements. The white finish ensures it blends seamlessly with most environments, maintaining a neat and professional appearance.

This product is engineered by Hikvision Digital Technology, a leader in the surveillance industry, known for its commitment to quality and innovation. The design facilitates easy installation and provides a secure, weather-resistant housing that protects connections and enhances system reliability. Its universal compatibility with select camera models makes it a functional addition to any Hikvision surveillance setup, ensuring efficient operation and longevity.
