## Aprašymas

### Not Just a Wi-Fi Router, It's a Wi-Fi System

#### Eliminate dead spots in your home

AmpliFi Routers and MeshPoints are designed to work in combination to eliminate any dead spots in your home. They utilize mesh technology to provide powerful wireless performance in an innovative and simple design. The Router features an intuitive touchscreen display and the MeshPoints display wireless signal performance.

The AmpliFi HD (High Density) MeshPoint features an adjustable super antenna. It can be used to expand the coverage of an AmpliFi Mesh System or turn an existing router or Wi-Fi cablebox into a powerful mesh network.

#### Key Product Points

1. Scalability
2. Performance
3. Attractive design
4. Ease of use

#### Innovative and Simple Design

#### Usage Examples

**AmpliFi Routers and MeshPoints are designed to work in combination to eliminate any dead spots in your home.**
