Aprašymas

The **TP-Link UH720** is a high-performance **USB hub** designed to significantly enhance your connectivity options. Featuring a host interface of **USB 3.2 Gen 1 (3.1 Gen 1) Micro-B**, this hub includes seven **USB 3.2 Gen 1 (3.1 Gen 1) Type-A** ports, allowing for a remarkable data transfer rate of up to **5000 Mbit/s**. This capability ensures rapid data exchange, making it an ideal solution for users who require efficient performance for their devices.

In addition to its impressive data transfer capabilities, the **TP-Link UH720** is equipped with two additional charging ports that support an output current of **2.24 A**. This feature allows users to charge their devices quickly while simultaneously transferring data, providing a seamless experience for multitasking. The sleek black design of the hub, combined with a generous **39.4 inches (1 meter)** cable, offers both style and practicality, ensuring that your setup remains organized and accessible.

Powered by a **12 V** USB connection, the **TP-Link UH720** is designed for versatility and ease of use. Its compact dimensions make it easy to integrate into various setups without taking up excessive space. As a product from the reputable **TP-Link** brand, known for its commitment to quality and innovation, the UH720 stands out in the market for its combination of high-speed data transfer and efficient charging capabilities, making it a valuable addition to any tech-savvy environment.
