Aprašymas

The **TP-Link Tapo C210** is a state-of-the-art **IP security camera** designed specifically for **indoor use**. With its **wireless connectivity**, this camera offers the flexibility of installation without the hassle of extensive wiring, making it ideal for various indoor environments. The camera can be easily mounted on the ceiling or placed on a desk, allowing for versatile positioning that seamlessly integrates into your home or office decor.

Featuring advanced **pan/tilt functionality**, the Tapo C210 provides an impressive **360° angle of rotation** and a **tilt angle range of 0 - 114°**. This comprehensive range of motion ensures that every corner of the monitored area is covered, eliminating any potential blind spots. The camera is equipped with a **25.4 / 2.9 mm (1 / 2.9") optical sensor** and a fixed focal length of **4 mm**, delivering clear and detailed images that enhance your security monitoring capabilities.

Compliance with multiple regulatory standards, including **FCC**, **IC**, **CE**, and **NCC**, underscores the Tapo C210's commitment to safety and quality. As a product from the reputable manufacturer **TP-Link**, this camera stands out as a reliable choice for users seeking a dependable security solution for their indoor spaces. The Tapo C210 not only meets but exceeds expectations, making it a superior option in the realm of indoor security cameras.
