Aprašymas

The **HP LaserJet Pro 4002dn** is a high-performance **laser printer** designed for businesses that require efficient and reliable printing solutions. With a monthly recommended page volume of up to **80,000 pages**, this printer is built to handle large workloads with ease. The **1200 x 1200 DPI** maximum resolution ensures that every document is printed with sharp clarity, making it ideal for professional presentations and reports.

Featuring a print speed of **40 pages per minute** for A4 and US Letter sizes in normal mode, the **HP LaserJet Pro 4002dn** significantly reduces waiting time, allowing for increased productivity in any office environment. The printer also supports **duplex printing**, which not only saves paper but also enhances efficiency. The intuitive **LCD screen** provides easy navigation through various settings, making it user-friendly for all staff members.

As part of the renowned **HP** brand, the **HP LaserJet Pro 4002dn** stands out with its robust build quality and advanced printing technology. This model is specifically designed for high-volume printing, ensuring that your business can maintain a steady workflow without interruptions. With a single print cartridge, maintenance is simplified, allowing you to focus on your core tasks rather than printer upkeep.
