Aprašymas

The **HP LaserJet Enterprise M612dn** (model code: **7PS86A#B19**) is a high-performance laser printer designed for demanding office environments. With a recommended monthly page volume of **300,000 pages**, this printer is built to handle large workloads efficiently. Its advanced printing technology ensures that your documents are produced with exceptional clarity and precision, making it an ideal choice for businesses that require reliable and high-quality printing solutions.

Featuring a maximum print resolution of **1200 x 1200 DPI**, the **HP LaserJet Enterprise M612dn** delivers sharp text and vibrant graphics, ensuring that every printed page meets professional standards. The printer boasts an impressive print speed of **71 pages per minute** for A4 and US Letter sizes in normal mode, allowing you to complete large print jobs quickly. Additionally, the **automatic duplex printing** feature helps save paper and reduces printing costs, making it an environmentally friendly option for your office.

Equipped with a **CGD display**, the **HP LaserJet Enterprise M612dn** offers an intuitive user interface for easy navigation and operation. The sleek white design of the printer complements any modern office setup. As part of the renowned **HP** brand, this model stands out for its reliability and performance, ensuring that your printing needs are met with the highest standards of quality and efficiency.
