Aprašymas

The **TP-Link AC1900 Whole Home Mesh Wi-Fi System** (model: Deco S7, 3-pack) is engineered to deliver exceptional wireless connectivity throughout your home. This **mesh Wi-Fi system** operates on dual-band frequencies of **2.4 GHz** and **5 GHz**, ensuring a versatile and robust connection that effectively eliminates dead zones and buffering issues. With a maximum WLAN data transfer rate of **1900 Mbit/s**, this system is designed to support multiple devices simultaneously, making it ideal for households with high internet usage.

Each unit in the **Deco S7** system features an internal, omni-directional antenna that enhances coverage across different rooms and floors. Supporting the latest Wi-Fi standard, **Wi-Fi 5 (802.11ac)**, this system is compatible with a wide range of mobile operating systems, including **Android** and **iOS**. Additionally, the system is fortified with **SPI firewall protection**, ensuring that your connected devices are safeguarded against potential cyber threats.

Designed with both functionality and aesthetics in mind, the **TP-Link Deco S7** units are compact and available in both **white** and **black**, allowing them to seamlessly blend with various home decors. Operating efficiently within a temperature range of **0 to 40°C**, this system meets FCC and CE regulations regarding transmission power. The included AC adapter supports an input voltage of **100 - 240 V** and an output voltage of **12 V**, accommodating a broad spectrum of power supply standards, making it a reliable choice for modern homes.
