Aprašymas

The **TP-Link VIGI C540V** is a state-of-the-art **4MP outdoor full-color dual-lens varifocal pan tilt network camera** designed for versatile use in both indoor and outdoor environments. With its robust wired connectivity technology, this camera ensures reliable performance and can be conveniently mounted on the ceiling. Available in both **white** and **black**, the camera's housing is crafted from **durable plastic**, making it suitable for various installation scenarios.

Equipped with a **CMOS sensor** and an optical sensor size of **25.4 / 3 mm (1 / 3")**, the VIGI C540V delivers clear and detailed images, ensuring high-quality surveillance. The camera features an adjustable focal length range from **4 to 12 mm**, providing versatile framing and zooming capabilities. With a horizontal viewing angle of **84°**, a vertical viewing angle of **46°**, and a diagonal viewing angle of **100°**, this camera excels in capturing wide scenes, making it an ideal choice for comprehensive monitoring.

In addition to its impressive optical specifications, the VIGI C540V supports a digital zoom of up to **3x**, allowing users to capture fine details from a distance. This camera adheres to multiple certifications including **CE, EAC, UKCA, RCM, Triman, BSMI, VCCI, FCC**, and **IC**, ensuring compliance with various international standards. The combination of advanced technology and robust design positions the TP-Link VIGI C540V as a leading choice for those seeking reliable and high-quality surveillance solutions.
