Aprašymas

The **TP-Link VIGI C250 (4mm)** is a state-of-the-art **5MP Full-Color Dome Network Camera** designed for both indoor and outdoor applications. With its versatile **ceiling mounting type**, this camera can be strategically placed to provide optimal surveillance coverage. The robust **wired connectivity technology** ensures stable and continuous transmission of video data, making it an ideal choice for security needs in various environments.

Equipped with a high-quality **CMOS sensor** and an optical sensor size of **25.4 / 2.7 mm (1 / 2.7")**, the VIGI C250 excels in low-light conditions, requiring a minimum illumination of just **0.005 lx**. Its impressive **107° field of view** and **90° horizontal lens viewing angle** provide comprehensive coverage, while the camera's ability to detect subjects up to **80 meters** away, observe at **33 meters**, and recognize at **16 meters** enhances its effectiveness in monitoring large areas.

With a high dynamic range of **120 dB**, the TP-Link VIGI C250 ensures superior image quality even in challenging lighting conditions. This camera complies with multiple international standards, including **CE, NTRA, VCCI, KC, BSMI, FCC**, and **IC**, guaranteeing adherence to quality and safety benchmarks. The combination of advanced technology and reliable performance makes the VIGI C250 a standout choice for those seeking a dependable security solution.
