Aprašymas

The **Dahua IPC-HFW1239TL1-A-IL** is a cutting-edge **2MP Full Color Bullet Camera** designed for seamless surveillance in various environments. Featuring a **2.8mm lens**, this camera is equipped with a **1/2.8" CMOS image sensor** that delivers exceptional low light performance and high-definition images with a maximum resolution of **1920x1080** at **25/30 fps**. Enhanced with **H.265 codec**, it provides a high compression rate while maintaining an ultra-low bit rate, ensuring efficient data management.

Equipped with built-in **IR LEDs** and **warm light**, the Dahua camera offers a maximum IR illumination distance of **30 meters** for optimal night vision. Its versatile **rotation mode** and features like **DWDR**, **3D NR**, and **digital watermarking** make it applicable for various monitoring scenarios. Moreover, the camera supports advanced functionalities such as **human detection**, **motion detection**, and abnormality detection, ensuring proactive monitoring and security.

With **IP67 protection**, the Dahua IPC-HFW1239TL1-A-IL is ideal for both indoor and outdoor installations, providing durability in all weather conditions. Its dual light technology and **PoE power supply** feature simplify installation while minimizing cabling requirements. This model stands out in the market for its exceptional performance and reliability, making it a superior choice for smart surveillance solutions.
