Aprašymas

Crafted from durable aluminum alloy, this black pendant mount is designed for compatibility with select dome cameras. It features a waterproof design, ensuring it can withstand various weather conditions, making it suitable for both indoor and outdoor installations. The mount's dimensions are 116.5 mm (4.6 inches) in height and 120 mm (4.72 inches) in base diameter, providing a stable and secure platform for camera setup.

The design includes a cable hole for easy management and routing of wires, which helps maintain a clean and organized installation. Its load capacity is up to 4.5 kg (4 kg), supporting a wide range of camera models without compromising on stability. The mount's black finish not only matches well with various styles of décor but also offers an unobtrusive appearance that blends seamlessly into the installed environment.

This product is easy to install, with all necessary mounting hardware included, ensuring a straightforward setup process. It is an effective solution for enhancing camera stability and field of view by allowing for precise positioning.
