Aprašymas

The **Hikvision DS-2CD2046G2H-IU(2.8mm)(eF)** is a state-of-the-art **4 MP Fixed Mini Bullet Network Camera** designed to deliver exceptional imaging quality and performance. With its advanced **powered-by-DarkFighter technology**, this camera excels in low-light conditions, ensuring clear and detailed images even in challenging environments. The inclusion of **120 dB true WDR technology** allows for impressive clarity against strong backlight, making it an ideal choice for various surveillance applications.

This model features **H.265+ compression technology**, which significantly reduces bandwidth and storage requirements while maintaining high-quality video. Additionally, the camera is equipped with intelligent features that focus on human and vehicle target classification based on deep learning, enhancing its effectiveness in security monitoring. The built-in microphone provides real-time audio capabilities, further bolstering security measures.

Designed for durability, the **Hikvision DS-2CD2046G2H-IU** is **water and dust resistant (IP67)**, making it suitable for both indoor and outdoor installations. This camera is part of Hikvision's commitment to providing innovative security solutions that meet the demands of modern surveillance needs.
