Aprašymas

The **Hikvision DS-2CD2343G2-LI(2.8mm)** is a state-of-the-art **4 MP Acusense Smart Hybrid Light Fixed Turret Network Camera** designed for high-quality imaging and advanced security applications. With its impressive **4 MP resolution**, this camera ensures that every detail is captured with clarity. The **Acusense technology** utilizes deep learning algorithms to effectively classify humans and vehicles, allowing for more accurate monitoring and reduced false alarms.

One of the standout features of the **DS-2CD2343G2-LI** is its **Smart Hybrid Light** capability, which combines infrared and white lights to provide four supplemental lighting modes. This ensures optimal visibility in various lighting conditions, making it ideal for both day and night surveillance. Additionally, the camera is equipped with **120 dB true WDR technology**, which enhances imaging quality in challenging backlight situations, ensuring clear visuals at all times.

Built to withstand the elements, the **Hikvision DS-2CD2343G2-LI** is **water and dust resistant (IP67)**, making it suitable for outdoor installations. The efficient **H.265+ compression technology** further optimizes storage and bandwidth usage without compromising image quality. With its built-in arrayed dual-microphone, this camera also offers real-time high-quality audio security, making it a comprehensive solution for modern surveillance needs.
