Aprašymas

The **Hikvision DS-2CD2386G2H-IU(2.8mm)(eF)/BLACK** is an advanced **8 MP Fixed Turret Network Camera** designed to deliver exceptional imaging quality. With its high-resolution capabilities, this camera ensures that every detail is captured with clarity. The integration of **powered-by-DarkFighter technology** allows for excellent low-light performance, making it an ideal choice for surveillance in challenging lighting conditions.

Equipped with **120 dB WDR technology**, the camera excels in providing clear imaging even against strong backlighting, ensuring that important details are not lost. The **H.265+ compression technology** enhances storage efficiency without compromising image quality. Additionally, the camera features advanced human and vehicle classification based on deep learning, which significantly improves security monitoring capabilities. With a built-in microphone for real-time audio security and an **IP67 rating** for water and dust resistance, the Hikvision DS-2CD2386G2H-IU is a robust solution for any surveillance needs.
