Aprašymas

The **Hikvision DS-2CD2T43G2-2LI(2.8mm)** is a cutting-edge **4 MP Acusense Smart Hybrid Light Fixed Bullet Network Camera** designed to deliver high-quality imaging and advanced security features. With its impressive **4 MP resolution**, this camera ensures clear and detailed visuals, making it an ideal choice for various surveillance applications. The innovative **Acusense technology** focuses on human and vehicle classification using deep learning algorithms, enhancing the accuracy of alerts and reducing false alarms.

One of the standout features of the **Hikvision DS-2CD2T43G2-2LI** is its **Smart Hybrid Light** capability, which combines infrared and white lights to provide four supplemental lighting modes for optimal visibility in various lighting conditions. Additionally, the camera is equipped with a built-in arrayed dual-microphone, ensuring real-time high-quality audio security. The **120 dB true WDR technology** allows for clear imaging even in challenging backlight situations, making it a reliable choice for comprehensive surveillance.

Engineered with durability in mind, the **Hikvision DS-2CD2T43G2-2LI** is both water and dust resistant with an **IP67 rating** and vandal-resistant with an **IK10 rating**, ensuring it can withstand harsh environmental conditions. Furthermore, the efficient **H.265+ compression technology** optimizes storage and bandwidth usage without compromising image quality, making this camera a smart investment for any security system.
