## Aprašymas

The **Hikvision DS-2CE16D0T-LFS(2.8mm)** is a cutting-edge **2MP Smart Hybrid Light Audio Fixed Mini Bullet Camera** designed to deliver exceptional imaging quality with a resolution of **1920×1080**. This camera features a **2.8 mm fixed focal lens** that ensures clear visuals, making it ideal for various surveillance applications. With its advanced technology, it provides up to **30 meters of infrared distance** for bright night imaging, as well as **20 meters of white light distance**, ensuring that your security needs are met even in low-light conditions.

Equipped with a versatile **one port for four switchable signals** (TVI/AHD/CVI/CVBS), this camera offers flexibility in installation and compatibility with various systems. The **built-in microphone** allows for high-quality audio transmission over coaxial cable, enhancing your surveillance capabilities. Additionally, the **IP67 rating** ensures that the camera is both water and dust resistant, making it suitable for outdoor use in various environments. The innovative **Smart-Hybrid light** technology further optimizes security by providing flexible lighting options, setting this model apart from its competitors.
