Aprašymas

The **Hikvision DS-7608NXI-K1(D)** is a state-of-the-art **8-channel 1U K Series AcuSense 4K NVR** designed to enhance your security surveillance system. With the capability to support up to **8 IP camera inputs**, this NVR ensures comprehensive coverage for your premises. It is compatible with multiple video formats including **H.265+/H.265/H.264+/H.264**, providing flexibility and efficiency in video storage and transmission. The device boasts impressive decoding capacity, allowing for **up to 2 channels at 12 MP, 4 channels at 8 MP, or 8 channels at 4 MP**, ensuring high-resolution video playback.

Equipped with a robust **80 Mbps incoming bandwidth**, the Hikvision DS-7608NXI-K1(D) can handle multiple high-definition streams simultaneously without compromising performance. One of its standout features is the integration of **Hikvision AcuSense technology**, which significantly reduces manual monitoring efforts and lowers security costs by intelligently filtering out false alarms. This advanced technology allows for more efficient and effective surveillance, making it a superior choice for both residential and commercial applications.
