Aprašymas

The **Hikvision iDS-7232HQHI-M2/XT** is a cutting-edge **32-channel 1080p 1U H.265 AcuSense DVR** designed to enhance your surveillance capabilities. With support for advanced features such as **4-channel Facial Recognition** and **8-channel Perimeter Protection** powered by a sophisticated **Deep Learning algorithm**, this DVR stands out in its class. Its **AcuSearch Technology** allows for efficient searching through recorded footage, making it an invaluable asset for security professionals.

Utilizing **H.265 pro+** compression technology, the Hikvision DVR ensures high-quality video storage while optimizing bandwidth usage. It boasts an impressive encoding capability of up to **3K/5MP Lite@12fps** and can handle up to **40 channels of IP camera inputs**, each supporting resolutions up to **6MP**. Furthermore, the device offers **24*1080P@30fps decoding capability**, ensuring smooth playback of high-definition footage.

With versatile input options, the Hikvision iDS-7232HQHI-M2/XT supports five signal types adaptively, including **HDTVI, AHD, CVI, CVBS, and IP**. Additionally, it features comprehensive **Motion Detection Technology** and **Two-Way Audio Technology** across all channels, enhancing the interactive capabilities of your surveillance system. This DVR is an ideal choice for those seeking a reliable and technologically advanced surveillance solution.
