Aprašymas

The **Dahua IPC-HDBW2449E-S-IL-0280B** is a cutting-edge **4MP Smart Dual Light Fixed-focal Dome Network Camera** designed specifically for advanced surveillance applications. Utilizing a **4-MP 1/2.9" CMOS image sensor**, this camera excels in low-light conditions, delivering high-definition images with impressive clarity. With output capabilities of up to **4 MP (2688 × 1520) @ 20 fps** and support for **2560 × 1440 @ 25/30 fps**, it ensures seamless video performance under various conditions. The camera's **H.265 codec** provides a high compression rate, maintaining ultra-low bit rates that optimize storage and bandwidth use.

Featuring built-in **IR LEDs** and warm light, the maximum illumination distance for both is up to **30 meters**, ensuring reliable surveillance even in complete darkness. The camera is embedded with intelligent monitoring features such as **intrusion detection** and **tripwire detection**, which can accurately classify and detect vehicles and humans, providing enhanced security capabilities. Moreover, the **ROI, SMART H.264+/H.265+**, and various customizable settings—such as rotation mode, WDR, and 3D NR—allow for adaptability across diverse monitoring environments.

The **IP67 and IK10 protection ratings** guarantee durability against harsh weather and tampering, making it ideal for both indoor and outdoor applications. Supporting a maximum **256 GB Micro SD card** and equipped with a built-in microphone, this camera is versatile and flexible, suitable for modern surveillance needs. The **Dahua IPC-HDBW2449E-S-IL-0280B** stands out with its advanced technology, ensuring top-notch performance and reliability in security monitoring.
