Aprašymas

The **Dahua IPC-HDBW2849E-S-IL-0280B** is an advanced **8MP Smart Dual Light Fixed-focal Dome Network Camera** designed for high-performance surveillance. Featuring an **8-MP 1/2.7" CMOS image sensor**, this camera excels in low light conditions, delivering exceptional high definition images. With the capability to output a maximum resolution of **8 MP (3840 × 2160) at 20 fps**, and supporting **2560 × 1440 at 25/30 fps**, it caters effectively to a variety of monitoring needs.

Utilizing the latest **H.265 codec**, the camera provides a high compression rate with an ultra-low bit rate, ensuring efficient storage and bandwidth usage. The built-in **IR LED** and warm light technology enable clear visibility up to **30 meters** in the dark. Its intelligent monitoring features, including **intrusion** and **tripwire detection**, allow for accurate identification and classification of vehicles and individuals, enhancing overall security.

Equipped with a robust **IP67** and **IK10 protection** rating, this camera is designed to withstand harsh conditions, making it perfect for outdoor installations. Additionally, it supports a maximum of **256 GB Micro SD card** for local storage and is powered by **12 VDC/PoE**, simplifying installation. With its advanced features and durability, the Dahua IPC-HDBW2849E-S-IL-0280B is an excellent choice for comprehensive surveillance solutions.
