Aprašymas

The **Dahua IPC-HDW3549H-AS-PV-0280B-S5** is a state-of-the-art **5MP Smart Dual Illumination Active Deterrence Fixed-focal Eyeball WizSense Network Camera**, designed for high-definition surveillance with advanced technological features. With a **5-MP 1/2.7" CMOS image sensor**, this camera captures crisp images in low-light conditions, ensuring that you have clear visuals at all times. Supporting a maximum output of **5 MP (2960 × 1668) @20 fps**, it utilizes the **H.265 codec** for high compression rates, allowing for impressive video quality with minimal bandwidth usage.

This camera boasts an innovative design featuring **built-in warm light and IR LED**, offering an impressive illumination distance of up to **30 m** for both infrared and warm light. With intelligent monitoring capabilities such as **intrusion detection** and **tripwire monitoring**, it can distinguish between vehicles and individuals, providing enhanced security. Moreover, the camera supports multiple advanced functions including **motion detection**, **scene change detection**, and **audio detection**, ensuring comprehensive surveillance coverage.

Designed to withstand harsh conditions, the Dahua camera features **IP67 protection**, making it suitable for outdoor installations. The inclusion of **sound and light alarms** adds an active deterrent feature, enhancing security measures. Additionally, with support for **AI SSA** and one-tap arming and disarming, this versatile camera is an exceptional choice for those seeking a reliable and intelligent surveillance solution.
