Aprašymas

The **Dahua IPC-HDW3849H-AS-PV-0280B-PRO** is a state-of-the-art **8MP WizColor TiOC PRO Fixed-focal Eyeball Network Camera** designed for high-performance surveillance. Featuring an advanced **8-MP 1/1.8" CMOS image sensor**, this camera delivers exceptional low light performance, producing sharp and clear images even in challenging lighting conditions. With the ability to output a stunning **8 MP resolution (3840 × 2160) at 25/30 fps**, it sets a new standard for imaging quality in security systems.

Equipped with cutting-edge features such as the **H.265 codec** for high compression rates and ultra-low bit rates, the device ensures efficient storage and bandwidth utilization. The built-in multi-core light offers enhanced visibility with a maximum IR distance and warm light distance of **30 meters**. Furthermore, intelligent monitoring capabilities including intrusion detection and tripwire technology enhance security operations by accurately identifying vehicles and individuals.

This camera also implements advanced functionality for scene adaptability, employing features like rotation mode, WDR, 3D NR, and SMART H.264+/H.265+ coding. The **IP67 protection** rating ensures durability in various environmental conditions, while the sound and light alarm with red and blue lights provides an additional layer of security. Designed for reliability, the Dahua IPC-HDW3849H-AS-PV-0280B-PRO supports advanced AI functionalities, making it a top-tier choice for comprehensive surveillance needs.
