Aprašymas

The **Dahua IPC-HFW3849T1-AS-PV-0280B-PRO** is an advanced 8MP **WizColor TiOC PRO Fixed-focal Bullet** network camera designed for superior surveillance. Equipped with an **8-MP 1/1.8" CMOS image sensor**, this camera excels in low-light conditions, delivering high definition images with remarkable clarity at a max resolution of **3840 × 2160** at 25/30 fps. The integration of **H.265 codec** allows for a high compression rate and ultra-low bit rates, making it efficient for bandwidth and storage management.

This professional-grade camera features **intelligent monitoring capabilities** such as intrusion detection and tripwire functions, finely tuned for accurate vehicle and human detection. Enhanced with **multi-core IR lighting** and warm light capabilities, it can illuminate areas effectively up to **50 meters**. The camera is further enriched with various image enhancement technologies including WDR, 3D NR, and digital watermarking, ensuring adaptability to diverse monitoring scenarios.

Notably, the **Dahua IPC-HFW3849T1-AS-PV-0280B-PRO** supports advanced features such as sound and light alarms, a robust IP67 rating for weather resistance, and seamless two-way audio communication with built-in dual microphones and a speaker. It also supports up to **512 G Micro SD cards**, making it a versatile option for reliable and intelligent security solutions in both indoor and outdoor settings.
