## Aprašymas

The **Dahua P5D-5F-PV** is a state-of-the-art **5+5MP Outdoor Wi-Fi Dual-Lens Pan & Tilt Camera** designed to provide exceptional surveillance solutions. As part of the **Picoo Dual Series**, it features a unique combination of fixed and PT lenses, enabling simultaneous live monitoring of two distinct areas, greatly enhancing situational awareness. This dual-lens configuration is complemented by advanced smart detection capabilities, including **AI human and vehicle detection**, effectively reducing false alarms and ensuring reliable performance.

Equipped with sophisticated tracking functions, the Dahua P5D-5F-PV can automatically follow moving targets, ensuring that no activity goes unnoticed. Additionally, the camera is designed to alert users in real-time with sound and light alarms upon detecting any intrusion, keeping you informed through instant notifications to your mobile client. This robust feature set makes the camera particularly suitable for small-scale applications, such as **shops and restaurants**, where security is a top priority.
