Aprašymas

The **BCS R100** extension pipe, part of the **BCS UNIVERSAL** product line, is designed to enhance ceiling-mounted installation systems. This **100 cm** long pipe, crafted from high-quality **aluminum**, ensures durability and reliability under varying conditions. With a sleek **white** finish, it seamlessly integrates into any room design. The pipe supports a maximum load of **1 kg** and performs optimally within a temperature range of **-40°C to +60°C** and a humidity level of up to **90% RH**, making it suitable for various environments.

Engineered for ceiling installation, the **BCS R100** not only meets but exceeds expectations for functionality and endurance. Its robust construction allows for effective heat dissipation and superior resistance to environmental factors, setting it apart from conventional pipes. This product is perfect for users seeking an efficient solution for their mounting systems without compromising on quality.
