Aprašymas

STARLINK MINI: FAST INTERNET CONNECTION IN JUST A FEW MINUTES!

STARLINK MINI is a revolutionary solution that enables lightning-fast internet connection in just a few minutes. With its built-in router, users can enjoy stable and fast access to the web, achieving download speeds exceeding 100 Mb/s. Ideal for those who value efficiency, STARLINK MINI also stands out with lower energy consumption, making it an eco-friendly choice. Additionally, the ability to be powered by direct current makes it an incredibly versatile product, perfect for both homes and travel.

FAST SATELLITE INTERNET IN EVERY CORNER OF THE WORLD

Discover a new quality of connectivity in the most remote corners of the world with revolutionary satellite internet technology. With the world's largest constellation of advanced satellites in low Earth orbit, you can enjoy fast internet even where traditional connections have no coverage. This unparalleled solution opens the door to unlimited communication, enabling projects that previously seemed impossible. No matter where you are, you can take full advantage of the digital world.

FAST AND EASY STARLINK INSTALLATION IN TWO STEPS!

Starlink is an innovative solution that allows for quick and easy internet access anywhere. With the option for self-installation, setting up the device takes just a moment. Simply plug Starlink into power and point it towards the sky to enjoy a fast connection. The only requirement is the Starlink app, which helps determine the ideal installation location, ensuring an unobstructed view of the sky. This is a perfect solution for those who want to use modern technology in an easy and convenient way.

UNMATCHED STARLINK SERVICE CAPABILITIES IN YOUR HOME

Starlink is an innovative solution that transforms the way we use the Internet in our homes. Offering unlimited data within a high-speed connection, users can enjoy the freedom of using the web without worrying about exceeding limits. Moreover, the system is designed to withstand harsh

weather conditions. Whether it's raining or windy, Starlink provides a stable connection, making it an ideal choice for those seeking reliability and efficiency in everyday life.

CHOOSE THE OPTIMAL STARLINK PLAN TAILORED TO YOU

Starlink offers flexible plans that can be tailored to your unique needs, both at home and while traveling. This allows you to enjoy fast and reliable internet access, no matter where you are. Furthermore, you have the option to test any Starlink service, and if it does not meet your expectations, you can cancel it at your convenience. Additionally, the Starlink device can be easily adapted for permanent installation using available mounts and accessories, ensuring not only convenience but also versatility in its application.

DISCOVER THE POWER OF STARLINK TECHNOLOGY AND ENJOY CLOUD CONNECTIVITY

The Starlink app is an innovative tool that allows easy management of access to one of the most advanced satellite systems in the world. With it, users can quickly find the optimal location for mounting the equipment to enjoy uninterrupted connectivity to the network. Built-in features allow browsing available mounts and accessories, making installation simple and tailored to individual needs. SpaceX, a leader in space technology, regularly introduces innovations, ensuring that Starlink satellites are always at the forefront of performance and reliability.

IN THE PACKAGE

Included:

- Starlink device with integrated Wi-Fi solution
- base
- pipe adapter
- DC power cable (15 m)
- power supply
- Starlink plug
