Aprašymas

The **Hikvision DS-KV6114-MWBE1 Door Station** is a state-of-the-art intercom system designed for modern security needs. Featuring a **higher resolution of 4 MP** and a wide **150° field of view**, this door station ensures that you capture every detail at your entrance. Its sleek design and advanced technology make it an ideal choice for both residential and commercial applications.

Equipped with **two control locks** and multiple unlocking methods including **Card, Bluetooth, Hik-Connect**, and internal station access, the DS-KV6114-MWBE1 offers unparalleled convenience and flexibility. Additionally, the capability for **video recording and playback** via Hik-Connect or PC network enhances security monitoring, allowing users to review footage at their convenience.

This model operates on **Standard PoE power IEEE802.3at**, ensuring efficient power management and easy installation without the need for additional wiring. Hikvision, a leader in video surveillance technology, has integrated cutting-edge features into this door station, making it a superior choice for those seeking enhanced security solutions.
