Aprašymas

The **Hikvision DS-KV6114-WBE1 Door Station** is a state-of-the-art access control solution designed to enhance security and convenience for residential and commercial applications. With a remarkable **4 MP resolution** and a wide **150-degree field of view**, this door station ensures clear and comprehensive video surveillance, allowing users to monitor their entry points effectively.

Equipped with **two control locks** and multiple unlocking methods including **Card, Bluetooth, Hik-Connect**, and internal station access, the DS-KV6114-WBE1 provides versatile options for secure entry. The device also supports **video recording and playback** through Hik-Connect or a PC network, ensuring that you can review footage as needed for added peace of mind.

Utilizing **standard PoE power IEEE802.3at**, this door station simplifies installation by reducing the need for additional power sources. The **Hikvision** brand is renowned for its commitment to innovation and quality, making the DS-KV6114-WBE1 a reliable choice for those seeking advanced security solutions.
