Aprašymas

The **DS-KIS705EY/2 Monitors** by **Hikvision** is a cutting-edge intercom system designed to provide exceptional performance and reliability. With a stunning **2 MP resolution**, this system ensures excellent image quality, allowing you to see who is at your door with clarity. The **IP65 waterproof** and **IK08 vandal-proof** entrance panel guarantees durability and protection against the elements, making it suitable for various outdoor environments.

This model features a **7-inch internal monitor** equipped with a **touchscreen** interface, providing a user-friendly experience for effortless operation. The **one-touch connection** and remote unlocking capabilities via the app enhance convenience, allowing you to manage access to your property from anywhere. Additionally, the **true plug&play** technology simplifies installation, making it easy to set up without complicated configurations.
