Aprašymas

The **Hikvision DS-KIS705E 2-Wire HD Video Intercom Set** is designed to enhance your home security with its **excellent image quality** featuring a **2 MP resolution**. This intercom system not only provides clear visuals but also offers a **one-touch connection** and remote unlocking capabilities through a dedicated app, ensuring convenience and safety at your fingertips.

Equipped with a **7-inch indoor monitor** that boasts a **touchscreen** and user-friendly interface, the Hikvision DS-KIS705E makes communication effortless. The system is designed for **true plug & play** functionality, allowing for quick and easy installation without the need for complex configurations. Additionally, the **waterproof IP65 entry panel** and **vandal-proof IK08 entry panel** ensure durability and reliability in various environmental conditions.

Hikvision, a leader in video surveillance technology, has integrated advanced features in the DS-KIS705E model, making it a superior choice for those seeking a robust and efficient intercom solution. With its combination of high-quality imaging and practical features, this intercom set stands out in the market.
