Aprašymas

The **Hikvision DS-KIS704EY/Aluminum** is a state-of-the-art intercom system designed for modern security needs. With a remarkable **2 MP resolution**, it ensures great image quality, allowing you to clearly see who is at your door. This model features a **7-inch touch screen indoor monitor** with a user-friendly interface, making it easy for anyone to operate. The system supports **one-press calling** and **remote unlocking** through an app, providing convenience and enhanced security.

Built to withstand the elements, the Hikvision DS-KIS704EY boasts an **IP65 water-resistant** rating and is **IK08 vandal-resistant**, ensuring durability in various conditions. The **real plug&play** functionality simplifies installation, making it accessible for both residential and commercial applications. This product is part of Hikvision's commitment to innovation and quality in security solutions.
