### Pagrindinės savybės

- ✓ Print up to 32 pages per minute
- ✓ 1 Line LCD control panel
- ✓ Fast ethernet, 5GHz WiFi and USB, Brother Mobile Connect app
- ✓ 64MB Internal memory
- ✓ 250 sheet paper input tray

### Aprašymas

Work smarter from anywhere at home or in the office with the easily connected Brother HL-L2445DW. Hosting a range of efficiency-boosting features, this mono laser printer saves you time with fast flawless printing, automatic 2-sided print, and a generous paper tray capacity. Get set up with ease and download the Brother Mobile Connect App, enabling you to print from virtually anywhere. The HL-L2445DW keeps your printing costs down using a separate drum and toner unit, and the generous 1,200 pages<sup>7</sup> inbox toner supporting your higher print volume needs. Toner is easy to change and high yield toner is available, printing up to 3,000 pages<sup>7</sup>, reducing your cost per page and frequency to replace.

**Printing**

|                                                          |                 |
|----------------------------------------------------------|-----------------|
| Colour                                                   | No              |
| Print technology                                         | Laser           |
| Duplex printing                                          | Yes             |
| Maximum resolution                                       | 1200 x 1200 DPI |
| Print speed (black, normal quality, A4/US Letter)        | 32 ppm          |
| Duplex printing mode                                     | Auto            |
| Duplex print speed (black, normal quality, A4/US Letter) | 8 ppm           |
| Warm-up time                                             | 20 s            |
| Time to first page (black, normal)                       | 8.5 s           |

**Features**

|                            |         |
|----------------------------|---------|
| Printing colours           | Black   |
| Number of print cartridges | 1       |
| Country of origin          | Vietnam |

**Input & output capacity**

|                             |            |
|-----------------------------|------------|
| Total number of input trays | 1          |
| Total input capacity        | 250 sheets |
| Total output capacity       | 150 sheets |

**Paper handling**

|                                 |                                                                                        |
|---------------------------------|----------------------------------------------------------------------------------------|
| Maximum ISO A-series paper size | A4                                                                                     |
| Paper tray media types          | Envelopes, Labels, Plain paper, Recycled paper, Thick paper, Thicker paper, Thin paper |
| ISO A-series sizes (A0...A9)    | A4, A5, A6                                                                             |
| ISO B-series sizes (B0...B9)    | B5                                                                                     |
| Non-ISO print media sizes       | Letter                                                                                 |
| JIS B-series sizes (B0...B9)    | B5, B6                                                                                 |
| Envelopes sizes                 | C5, Com-10, DL, Monarch                                                                |
| Custom media width              | 76.2 - 215.9 mm                                                                        |
| Custom media length             | 127 - 355.6 mm                                                                         |

**Ports & interfaces**

|                        |     |
|------------------------|-----|
| Direct printing        | Yes |
| USB port               | Yes |
| USB 2.0 ports quantity | 1   |
