Aprašymas

STURDY DESIGN FOR STABILITY AND SUPPORT

The Ubiquiti Universal Table Stand is engineered for stability, featuring a weighted base that ensures non-rack UniFi devices remain upright on flat surfaces. With dimensions of 125.2 x 73.2 x 70.5 mm and a weight of 530 g, this stand provides a robust foundation that minimizes the risk of tipping or falling. Its durable polycarbonate enclosure is not only lightweight but also designed to withstand daily use, making it an ideal choice for both home and office environments.

ADJUSTABLE CLAMP FOR VERSATILE COMPATIBILITY

Equipped with an adjustable clamp that accommodates devices up to 42.5 mm in width, the Universal Table Stand is compatible with a wide range of Ubiquiti products. This includes Utility Switching devices (excluding Lite 8/16 PoE, Enterprise 8 PoE, Pro 8 PoE), Compact Cloud Gateways (UCG & UX series), and Advanced Hosting devices (UXG & UCK-G2 series). This versatility allows users to securely mount various devices, ensuring optimal performance and accessibility.

SLEEK AESTHETIC WITH FUNCTIONAL TREATMENT

The Universal Table Stand features a sleek, painted finish that not only enhances its visual appeal but also complements modern decor. The thoughtful design ensures that it blends seamlessly into any environment, whether it's a professional workspace or a home office. This stand not only serves a practical purpose by keeping devices organized and accessible but also adds a touch of sophistication to the setup, making it a functional yet stylish addition to any tech-savvy space.
