- ✓ **QUICK CHARGE DUAL CHARGE** - The QC3.0 Dual Output USB Cigarette Lighter Adapter allows you to charge two devices simultaneously, supporting 3A on the USB-A port and 2.4A on the USB-C™, for a total of 38W. - ✓ **METAL BODY** - Made of zinc alloy, it resists scratches very well, is pleasant in design and ensures a long life. The high-quality material gives it an elegant appearance and at the same time ensures that the metal car charger does not overheat at high temperatures: this feature makes it safer than those made of plastic
