Pagrindinės savybės

- ✓ **Ultra-fast, stable, and secure:** Whether you are at home, in the office or on the road: With the IB-LAN301-C3 you can easily connect to the Internet or a wired network and experience gigabit connections without compromise
- ✓ **Universal compatibility:** With the combi adapter, you can connect the IB-LAN301-C3 to your USB Type-C® or USB Type-A port. All operating systems are supported so it doesn't matter whether you use Windows, macOS or another OS
- ✓ **Maximum performance with up to 2.5 Gbit/s:** Depending on the bandwidth, the network adapter offers a performance of up to 2.5 Gbit/s, making it equally suitable for work without waiting times and high-resolution streaming or gaming
- ✓ **Elegant and sturdy:** The IB-LAN301-C3 has a high-quality aluminium housing which not only looks good, but is also designed to give the network adapter a high degree of robustness. This makes it ideal for mobile use
- ✓ **Instant Connection:** The network adapter is recognized immediately and connects all devices directly to the Internet via cable without driver installation or additional software
- ✓ **Tailored for Mobility:** Equipped with a 12 cm cable for convenient on-the-go, the included USB Type-A adapter ensures ease and flexibility of connectivity across a range of devices

Aprašymas

Gigabit Connectivity Anywhere

Enjoy the internet without restrictions: With a data transfer rate of up to 2.5 Gbit, our adapter offers you an ultra-fast connection. This means you can easily download large files, stream films and series in high resolutions or experience flawless online gaming.

Plug, Play, Any Device

Experience hassle-free connections across devices. With a universal dual USB Type-C® and Type-A interface, it can be connected to almost all notebooks, desktops, and even tablets and smartphones. Without installing any drivers and compatible with all operating systems, you can get started straight away. Simply plug and play!

Sophisticated Aluminum Design for Mobility

The network adapter is made of high-quality aluminium and designed with mobility in mind. This means that the adapter can fit in almost any service case, backpack, or luggage. So you can quickly and easily establish a wired internet connection – whether you are at home, at work, or on the road.

Techninė specifikacija

Specifications	
Sandėlio grupė	I/O Cards & Adapters [+365][-122]
Ports & interfaces	
Connectivity technology	Wired
Host interface	USB Type-A/USB Type-C
Interface	Ethernet
Ethernet LAN (RJ-45) ports	1
USB connector form factor	Straight
USB version	3.2 Gen 1 (3.1 Gen 1)
Network	
Maximum data transfer rate	2500 Mbit/s
Ethernet LAN	Yes
Ethernet interface type	2.5 Gigabit Ethernet
Design	
Internal	No
Component for	PC/Laptop
Product colour	Anthracite
Chipset	Realtek RTL8156
Plug and Play	Yes
Country of origin	China
Power	
USB powered	Yes
System requirements	
Windows operating systems supported	Yes
Mac operating systems supported	Yes
Other operating systems supported	ChromeOS

Weight & dimensions

Width	27 mm
Depth	190 mm
Height	15 mm
Weight	32 g

Packaging data

Package width	102 mm
Package depth	25 mm
Package height	201 mm
Package weight	122 g

Logistics data

Harmonized System (HS) code	85176200
Master (outer) case width	320 mm
Master (outer) case length	440 mm
Master (outer) case height	290 mm
Master (outer) case gross weight	7.3 kg
Products per master (outer) case	60 pc(s)

Other features

Housing material	Aluminium, Plastic
